

## Health and Safety Policy

Smith Plumbing Ltd is committed to achieving and maintaining the highest standards of health and safety.

Smith Plumbing Ltd will:

- Provide the resources necessary to safeguard the health and safety of its own employees/subcontractor and any persons affected by its operations
- Provide and maintain safe tools, equipment and systems of work
- Make arrangements for safe use, handling, storage and transport of articles and substances
- Ensure places of work are safe and have a free of risk means of escape route
- Comply with health and safety legislation, regulations, and other applicable requirements
- Regularly set objectives and targets and review its performances
- Provide information, instruction and supervision where necessary, to ensure that correct procedures are being carried out for all tasks
- Continually improve upon health and safety performances

It is the responsibility of each and every employee/subcontractor within his or her specific area of responsibility to implement this policy.

Smith Plumbing Ltd is committed to its employees/subcontractors and clients and shall ensure that this policy is communicated, implemented and reviewed at least once a year.
